## Our Mission

Peace of Mind through  
Intelligent, Intentional, and  
Effective Security Measures

## Always One Step Ahead

Protection Advances and multiple agents on a detail allow PPG to occupy the next terrain feature prior to our protectee, minimizing their exposure to unknown environments.

# An Authority In Executive Protection

Protective agents think and maneuver with tactical awareness and strategy, while speaking and looking the part of business professionals.

This creates an environment of approachability for the client and avoids excessive attention on security from outsiders.

Our Lead Protective Agent serves as the POC for protectee, providing continuity and transparency.
